Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner agreed to withdraw the final Office action dated 07 July 2009. This amendment was transferred to Examiner from another art unit to Examiner's art unit which is the appropriate art unit for examination. Applicant pointed out that Examiner inadvertently missed examining the newly added limitations of Claim 11 and subsequent claims set forth in the amendment dated 27 April 2009. Therefore, Examiner agreed to withdraw the final Office action and will issue a new Office action. Examiner and Applicant also discussed a typographical error by Applicant in the Amendment of 27 April 2009 in Claim 11--"trading fund for each tracking account" should be "trading account for each tracking account". Examiner agreed to acknowledge the error in the forthcoming Office action with an objection to the Claim.
